*Candidate Questionnaire Project*

2018 CANDIDATE RESPONSE  
Florida House of Representatives District 3

**Bobbi Osborne (NPA)**

*Do you support or oppose...*

**ABORTION REGULATION:** Requiring parental consent before a minor child's abortion, notwithstanding previous judicial concerns?

**OPPOSE**

**Optional Candidate Comment:** *I only oppose this because millions of mid teens, nowadays, do not live at home or are emancipated.*

**ACCESS TO HEALTH CARE:** Increasing access to care for uninsured Floridians, especially the working poor?

**SUPPORT**

**Optional Candidate Comment:** *Regardless of what our corrupt government tries to pound into our heads, there is no reason, other than the government getting kickbacks from insurance companies and pharmaceutical companies, that the entire U.S. should not have universal healthcare and they could care less that people are dying at a considerably high rate, because they would like to see a decrease in population, Preferrably the poor.*

**AFFORDABLE HOUSING:** Using all state housing trust funds as intended to address affordable housing needs in Florida?

**SUPPORT**

**Optional Candidate Comment:** *This is a high priority of mine!*

**DEATH PENALTY REPEAL:** Ending Florida's use of the death penalty while preserving the alternative of a life sentence without parole?

**SUPPORT**

**END-OF-LIFE PROTECTION:** Preserving Florida law that bans physician-assisted suicide?

**OPPOSE**

**Optional Candidate Comment:** *This is not a decision for anyone, especially the government, to tell someone that is terminally ill, they cannot peacefully end their suffering, and go to be home with our Lord. This issue makes no sense to me. We can't even have control of our own lives any more.*

**FREEDOM TO SERVE:** Allowing individuals and organizations the freedom to serve the public in accord with reasoned conscientious beliefs related to sexuality and marriage?

**SUPPORT**

**IMMIGRATION:** Urging Congress to undertake extensive immigration reform, rather than adopting piecemeal state policies?

**NO RESPONSE**

**Optional Candidate Comment:** *The wording of this question is quite misleading. I do not believe we should be worried about immigrants coming to the U.S. this is also a ploy to scare citizens into believing that other races are harmful to America. This should be a state by state issue and control not federal government. There are more horrific incidents by U.S. citizens than ANY immigrant status.*

**JUVENILE JUSTICE:** Establishing that children under 14 shall not be transferred to the adult criminal justice system?

**SUPPORT**

**PARENTAL EMPOWERMENT:** Creating education savings accounts to use for nonpublic school tuition?

**NO RESPONSE**

**Optional Candidate Comment:** *In a nutshell, public education will be a high priority of mine.*

**SAFETY OF SCHOOLCHILDREN:** Expanding existing legislative initiatives to harden the physical security of nonpublic schools?

**SUPPORT**

**Optional Candidate Comment:** *I support higher security for ALL children, not just those in private schools. They are ALL important!*
